

## **Canterbury Park Anti-Slaughter Policy**

Canterbury Park requires its racing participants to adhere to its anti-slaughter policy. The policy states:

**Any owner or trainer stabled at Canterbury Park who knowingly, or without conducting proper due diligence, sells a horse for slaughter, directly or indirectly, will have his or her stalls permanently revoked from Canterbury Park. Canterbury Park requires its owners and trainers to conduct due diligence on those buying horses and encourages its owners and trainers to support rescue and adoption efforts and to find humane ways of dealing with horses unable to continue racing.**

## **Canterbury Park Stakes Race Information**

The Rules and Regulations of racing adopted by the Minnesota Racing Commission govern all races run over the Canterbury Park course. Nominations to stakes are received only with the understanding that the officers of this Association reserve the right to refuse the nomination at a later date and/or to refuse the transfer of the nomination to another party.

All disputes, claims and objections arising out of the racing or with respect to the interpretation of the conditions of any stake shall be decided by the stewards and their decision upon all points shall be final.

Canterbury Park reserves the right to cancel any stake or other race prior to the actual running thereof - without liability - except for the return of nomination and entry fees paid.

If management considers it inadvisable for any reason to run a scheduled turf race on the turf course, it will be run at corresponding distance on the main track as outlined in this Condition Book under the subsection entitled Turf Policies.

Winner or non-winner of a stated sum means winner or non-winner of a single race of that value to the first place horse.

Canterbury Park reserves the right to reject any nominations, to reduce the amount of added money, or to cancel any stake at any time prior to the running thereof - without liability - except for the return of the nomination and entry fees.

It is required that all horses be vaccinated against EHV-1 before entering the grounds. Additionally, Canterbury Park reserves the right to mandate any additional vaccine(s) as a condition of admittance based on pandemic or outbreak. For more information on shipping in, please reference Notice for Horsemen Racing/Shipping from Off Grounds and the Stall Application.

## **Quarter Horse Stakes Race Information**

Checks that are stamped non-sufficient funds will automatically cancel eligibility to the race. Horses dropped from the race for non-sufficient funds will not be eligible for late payments or supplemental nominations. Checks returned for any other reason may also cancel eligibility.

## **Notice for Horsemen Approved for Stalls**

All horses coming through the stable gate, including stable ponies must have:

1. A Certificate of Veterinary Inspection (CVI) signed by a veterinarian that is dated within 10 days of entry and includes: rectal temperatures, EIA or Coggins information (date, lab and accession number) and EHV-1 vaccination information (date vaccinated, product name and the expiration date of the product).
2. A Coggins test dated within the past 12 months prior to September 15, 2018. The results for each horse must be clearly marked on the CVI and must be legible and accurate.
3. Quarter Horses with a CVI originating from a state with suspect cases of Equine Piroplasmiasis (EP) must have a negative test for Babesia (Theileria) equi taken within the past 12 months prior to September 15, 2018. Currently this includes only New Mexico and Texas but trainers and owners are encouraged to check the Minnesota Racing Commission website ([www.mrc.state.us](http://www.mrc.state.us)) for additional states with a suspect status.
4. Vaccination for Equine Herpes Virus (EHV-1) by a veterinarian no less than 14 days and no more than 120 days prior to arrival.

No horse will be allowed to enter the grounds, to enter a race or be permitted to start unless a current, valid health certificate covering said horse is presented at the stable gate. It is current if it is dated not more than 10 days prior to the date the horse described in the certificate arrives in Minnesota for the first time in a calendar year. Valid health certificates on all horses arriving at Canterbury Park must be presented at the gate upon arrival or horses will not be permitted to unload.

Being granted stall space at Canterbury Park is a privilege. Along with that privilege comes an expectation that horses based at Canterbury Park will also race at Canterbury Park at a reasonable rate of participation. Owners and trainers that have been granted stall space will be monitored for their general level of participation and future stall allocations may be positively or negatively impacted by these results. Should there be any questions as to the expectations for participation of horses based at Canterbury Park, please contact Andrew Offerman at (952)-233-4838.

## **Notice for Horsemen Racing/Shipping from Off Grounds**

1. All horses stabled off grounds must arrive by 9:00 a.m. the date of the race at Canterbury Park.
2. Only licensed personnel are allowed in the Test Barn. Your employees must have their MRC license in their possession.
3. If your horse is to be treated with furosemide, you must sign up in the Veterinarian's Office prior to administration. It is the trainer's responsibility to obtain the services of a private DVM licensed by the MRC to administer furosemide. A schedule of administration times may be obtained from the Veterinarian's Office or HBPA Office.
4. Horses shipping in and out from the farm will need to contact the Veterinarians' Office for additional information regarding their Health Certificates (CVI).

## Minnesota Racing Commission Medication Rules

The purpose of these rules is to protect the integrity of horse racing, to guard the health of the horse, to cooperate in the establishment of national medication rules as proposed by the Association of Racing Commissioners International, and to safeguard the interests of the public and the racing participants through the prohibition or control of all substances foreign to the natural horse. With the exception of one of the approved NSAIDs and furosemide, all medications must be discontinued at least 48 hours prior to racing.

All horses participating in racing at Canterbury Park must be in compliance with the Minnesota Racing Commission Rules relating to medication. Information regarding the Minnesota's medication thresholds can be obtained by visiting [www.mrc.state.mn.us](http://www.mrc.state.mn.us), the Stewards' Office or in a Trainer's Manual obtained from the Commission Veterinarian's Office.

Trainers must notify the Commission Veterinarian's Office of the stall location of each horse that is to be treated with furosemide. An attendant must be present at the time of administration. Violation of this rule can result in the horse being scratched and the trainer and/or assistant trainer may be fined.

All official workouts required by the Commission Veterinarian for the purpose of potentially removing a horse from the Veterinarian's list will be conducted under the same medication requirements as those for race days. Blood will be drawn from all horses and no horse will be allowed to enter until after the sample has been returned with no medication overages or violations present.

## Racing Soundness Exam & Other Inspections

On each race day, trainers shall post a sign outside an entered horse's stall stating that the horse is "In Today". The sign must be posted by 8:00 am and shall be removed immediately upon the horse's return from racing. Signs can be obtained from Canterbury Park Security Department at the Stable Gate.

Each and every horse entered to race is subjected to a racing soundness exam on race day conducted by a Commission Veterinarian. All racing soundness exams include manual palpation of the limbs, specific limb flexion as needed and jogging the horse. The Commission Veterinarian keeps a continuing health and racing soundness record of each horse examined and monitors for both acute problems as well as changes in specific issues. Per MRC 7891.0100, every horse to be examined must have had its legs cleaned of any poultice or other topical applications, must be free of leg bandages or be wearing bandages which are easily removed, and must not have been subjected within one hour of examination to freezing, icing, prolonged hosing with cold water, or any other means of reducing the temperature of the legs.

Additionally, the Horse Identifier and the Horseshoe Inspector shall examine each horse. No horse shall be eligible to start in a race and shall be scratched by the Stewards if it is found unfit to race, not properly identified or improperly shod.

## Testing

The Stewards or Commission Veterinarian may require any horse entered to submit to any blood or other pre-race test, and no horse is eligible to start in a race until the owner or trainer complies with any required testing procedure. Blood and urine test samples will be taken from the winner of every race and any other horse or horses selected at the discretion of the Stewards.

## Milkshaking

The practice of milkshaking horses entered to compete in horse races at Canterbury Park is prohibited. The Minnesota Racing Commission reserves the right to perform physiological tests consisting of blood samples on any horse entered to race prior to racing at Canterbury Park and testing of these samples for total carbon dioxide concentrations. More specific information regarding milkshaking can be found in the Trainer's Manual available from the Commission Veterinarian's Office or Stewards' Office.

## Minnesota Racing Commission Medication Thresholds

Please note, the Minnesota Racing Commission has numerous rule changes that were recently enacted including, but not limited to, medication thresholds, NSAID stacking, shock wave therapy, voiding of claims on injured horses, and the mandatory reporting of corticosteroid and other joint injections to any successful claimant provided in the past 30 days for any horse that is claimed.

For an up-to-date list of all rules of racing, including current medication thresholds, please contact the Commission Veterinarian's Office and/or refer to the Minnesota Racing Commission's website at [www.mrc.state.mn.us](http://www.mrc.state.mn.us)

## Minnesota Racing Commission NSAID Rule

According to Minnesota Administrative Rules Chapter 7890.0100 Subp. 13: Medication. "Medication" is a substance, compound, or element, or combination thereof, which is or can be administered to a horse for the purpose of preventing, curing, or alleviating the effects of any disease, condition, ailment, or infirmity, or symptom thereof, or for altering in any way the behavior, attitude, temperament, or performance of a horse, including athletic performance. Medication includes all analgesics, anesthetics, depressants, narcotics, stimulants, tranquilizers, and other classifications of medications. Nothing herein shall be deemed to include:

### A. Non-Steroidal Anti-Inflammatory Drugs (NSAIDs)

The use of one of the three approved NSAIDs shall be permitted under the following conditions, **with the exception of two-year-old race horses where no concentration of any NSAID, other than phenylbutazone (bute), is allowed in the plasma or serum sample taken after racing or official timed workouts:**

(a) Phenylbutazone, provided that the test sample does not contain more than two (2) micrograms of the substance per milliliter of blood plasma or serum;

(b) Flunixin, provided that the test sample does not contain more than twenty (20) nanograms of the substance per milliliter of blood plasma or serum; and

(c) Ketoprofen, provided that the test sample does not contain more than two (2) nanograms of the substance per milliliter of blood plasma or serum.

(2) These or any other NSAIDs are prohibited to be administered within the 24 hours before post time for the race in which the horse is entered.

(3) The use of all but one of the approved NSAIDs shall be discontinued at least 48 hours before the post time for the race in which the horse is entered. Levels constituting NSAID stacking violations have recently changed and are clearly defined in MRC 7890 Subp. 13 Medication.

(4) Any horse to which a NSAID has been administered shall be subject to having a blood and/or urine sample(s) taken at the direction of the Commission Veterinarian to determine the quantitative NSAID level(s) and/or the presence of other drugs which may be present in the blood or urine sample(s).

## Drug Testing in Listed and Graded Races

All listed and graded races contested for thoroughbreds at Canterbury Park will be subject to the testing guidelines prescribed for such races by the Thoroughbred Owners and Breeders Association and the American Graded Stakes Committee.

In 2018, the following races will be contested under these guidelines:

**Listed Stakes:    The Mystic Lake Derby**

## **Canterbury Park Safety Rules**

In accordance with Minnesota Administrative Rules Chapter 7877.0170, Subp. 11: (A) Any person mounted on or driving a horse on association grounds, and any person handling a horse at the starting gate, must wear a properly secured safety helmet at all times. (B) Any person mounted on a horse or racing in a sulky on association grounds, and any person handling a horse in the starting gate, must wear a properly secured safety vest at all times.

### **Safety Helmet Guidelines**

Per MN §7877.0170, Subp. 11 (A);

The helmet must comply with one of the following minimum safety standards or later revisions: American Society for Testing and Materials (ASTM 1163); European Standards (EN-1384 or PAS-015 or VG1); or, Australian/New Zealand Standards (AS/NZ 3838 or ARB HS 2012); or Snell Equestrian Standard 2001.

### **Safety Vest Guidelines**

Per MN §7877.0170, Subp. 11 (B);

The safety vest must comply with one of the following minimum standards or later revisions: (A) British Equestrian Trade Association (BETA):2000 Level 1; (B) Euro Norm (EN) 13158:2000 Level 1; (C) American Society for Testing and Materials (ASTM) F2681-08 or F1937; (D) Shoe and Allied Trade Research Association (SATRA) Jockey Vest Document M6 Issue 3; and (E) Australian Racing Board (ARB) Standard 1,1998.

## **Riding Crops & Other Racing Equipment**

In accordance with Minnesota Administrative Rules Chapter 7883.0170:

1. No bridle shall weigh more than two pounds.
2. All riding crops are subject to inspection and approval by the Stewards and the Clerk of Scales and shall fall under the specifications as provided within Minnesota Administrative Rules Chapter 7883.0170.
3. No person may lead a horse to the paddock with a chain shank unless the oral portion is covered with a soft, no-abrasive material.

### **Toe Grabs**

Toe grabs other than wear plates with a height greater than two millimeters (.07874 inches), including bends, jar caulks, stickers and any other traction device worn on the front of shoes of horses while racing or training on all racing surfaces are prohibited.

## **Canterbury Park Code of Conduct**

Canterbury Park is committed to providing a safe environment as indicated in our Code of Conduct. No trainer shall be permitted stall space without acknowledging, in writing, their acceptance of the Canterbury Park Code of Conduct.

# **Minnesota Racing Commission Claiming Procedures**

## **1. Licensed Horse Owners**

An individual who has a valid license as a horse owner - even though he or she may not at the present time actually own a race horse registered to race - may claim.

## **2. Unlicensed Individuals**

An individual who desires to become an owner of a race horse through claiming may request a Claim Certificate from the Stewards by the following method: Submit a completed application for horse owner's license to the Minnesota Racing Commission at the meeting where the claim will be made. The application must indicate the breed of the horse to be claimed and must state "to be claimed". The application must have the name of a licensed trainer who will be responsible for the care of the claimed horse. In addition to the application, a completed fingerprint card and a check or money order for the license are required.

## **Restrictions on Claimed Horses**

1. Claims shall be made in writing on a form provided by the association. Claims shall be signed and sealed in an envelope provided by the association, and that envelope must be submitted and time stamped by the association not less than 15 minutes prior to post time of the race in which the horse to be claimed is entered.

2. A successful claimant may not transfer or sell a horse he has claimed (for racing purposes) for a period of 30 days. The racing association may demand that the horse be removed from the grounds and the association is not obligated to continue to provide such horse stall space on its grounds.

3. Claimed horses shall race at the track claimed. No claimed horse shall race at any other racetrack until after the close of the meeting at which it was claimed, or for 60 days, whichever is shorter, except to fulfill one or more stakes engagements or by the request of the Racing Secretary and approval of the Stewards.

4. A Claim Certificate is valid only at the race meeting where issued and is valid for the term indicated on the Certificate by the Stewards.

5. Horses must be claimed in accordance with full registered ownership. If there are two or more owners of a horse through which a claim is made, all must be included in the claim and so recorded thereon.

6. Determination of the true sex of a claimed horse shall be the sole responsibility of the claimant and mistakes in that regard printed in the official program or elsewhere shall not be considered basis for invalidating the claim.

7. Claimed horses may run back for any claiming price in their next start.

8. All claimed horses are drug tested by the Minnesota Racing Commission.

9. A claim will be voided if the horse dies or is euthanized within one hour of racing; or the horse is placed on the Veterinarian's List for a musculoskeletal injury within one hour of racing. However, the claim shall not be voided for this reason if the claimant elects to accept the horse regardless of disposition as indicated in writing on the claim form.

## **Minnesota Racing Commission Licensing**

Applications for annual occupation licenses shall be accompanied by a non-refundable fee according to the following schedule:

1. \$100 - Veterinarian, bloodstock agent or vendor
2. \$50 - Owner, trainer, farrier or partnership
3. \$35 - Jockey, apprentice jockey or jockey agent
4. \$20 - Exercise person or assistant trainer
5. \$15 - Pony person
6. \$10 - Hot walker or groom

Minnesota rule requires all applicants who have not previously been licensed by the commission to submit fingerprints with their initial application.

All applicants previously licensed by the commission must submit fingerprints or proof of fingerprinting from an approved jurisdiction every 60 months.

### **Trainer Employee Lists**

Trainers are responsible for seeing that all their employees hold valid Minnesota Racing Commission licenses. Under the rules and regulations of the Minnesota Racing Commission, all participants in racing - officials, owners, trainers, jockeys, stable hands, etc, as well as pari-mutuel operators - are required to be licensed to serve in their respective capacities.

Each trainer must provide a list of all persons in his or her employment to the Association's Security Office and the MRC and must ensure that those persons are licensed by the Commission no later than the next racing day after those employees arrive on the grounds of an association. Lists will be available at the stable gate. Trainers are required to keep these lists current. Upon discharge of an employee, the trainer shall report that fact to the Association's Security Office and Stewards by no later than the end of that racing day.

### **Worker's Compensation**

All horsemen racing at Canterbury Park are required to have a valid certificate of insurance for worker's compensation covering stable employees. This includes exercise riders that are not independent contractors. If they are deemed independent contractors they must meet the requirements set by MN statute 5224.0330 and 5224.0340

### **Pony Rider & Groom Attire**

All pony riders must wear approved jackets or shirts while on the racetrack during racing hours. These items will be available for purchase in the Racing Office.

Pony riders will be expected to keep their mounts well groomed and their tack clean.

Grooms will be provided with numbered vests which they must wear when with their horse in the paddock and the walking ring.

## **Juveniles in the Canterbury Park Stable Area**

1. All people under the age of 18 who do not hold a current Minnesota Racing Commission (MRC) License, and are employed in the Stable Area or are not signed in by a legal parent or guardian through the Stable Gate Visitors Log, must obtain a dependent's credential from the Security Department. In order to obtain the dependent credentials, a parent or legal guardian must accompany the dependent and sign for the credential, whereby the parent or legal guardian would accept full responsibility for the dependent, relative to the rules set forth by the MRC and policies set forth by Canterbury Park.
2. People under the age of 16 will not be allowed to operate any motor vehicle (including golf carts, motorized scooters, etc) on Canterbury Park property.
3. Substantial penalties will be levied against any MRC Licensee who employs a person under the age of 16 or who employs people without a valid MRC License.
4. Substantial penalties will be levied against any parent or legal guardian who, after an investigative process, has been determined to be neglectful of said dependent.

## **No Dogs Allowed in the Stable Area**

No dogs will be allowed stable area during the 2018 Racing Season.

## **Unlicensed Employees in the Stable Area**

Any owner or trainer employing unlicensed individuals will be held completely responsible for all medical bills incurred by such help as a result of an accident at Canterbury Park.

Any owner or trainer employing unlicensed help is subject to disciplinary action by the Stewards.

## **Parking in the Stable Area**

Individuals who receive parking tickets and/or moving violation(s) on the grounds of Canterbury Park maybe subject to the temporary or permanent forfeiture of driving privileges in the Stable Area.

All licensed persons wishing to operate a motor vehicle in the Stable Area:

1. Must obtain, from the Stable Gate, a parking permit that must be visible at all times from outside of the vehicle.
2. All persons operating motor vehicles on the grounds of Canterbury Park are required to hold a valid driver's license & auto insurance policy and be able to show proof of insurance.

## **House Rules & General Rules of Occupancy**

Canterbury Park reserves the right to regulate by House Rule. Copies of each House Rule can be obtained from the Steward's Office or the Racing Secretary's Office.

## **Exclusive Rights Vested in Canterbury Park**

Canterbury Park reserves for itself the exclusive right and sole discretion to enter, modify, alter or change the physical condition or use of any of its facilities, wherever located on or about its premises; and permission granted herein to the Licensee to use the premises does not constitute a lease of the premises and Canterbury Park maintains the sole interest in and exclusive control of the premises.

## **Applicable Rules & Regulations**

The license and privilege to reside at Canterbury Park granted hereunder is subject to and shall be governed by the conditions, rules and regulations of Canterbury Park as contained in the Dormitory Agreement and as set forth in its House Rules, Condition Books, Overnight Sheets or other materials published and disseminated by Canterbury Park, or posted in its Racing Secretary's Office, Horsemen's Office or in any other Canterbury Park publication. Rules and Regulations are subject to change from time to time and any changes shall be deemed effective when made.

## **Dormitory Revocation**

Residency in a dormitory room at Canterbury Park is **a revocable privilege** at the sole and exclusive discretion of Canterbury Park. Possession of a firearm in a dormitory room is strictly prohibited. Revocation of Dormitory Privileges may also include exclusion from all Canterbury Park property.

## **Dormitory Inspections**

As a means of ensuring a safe environment within the stable area, periodic inspections will be conducted by track personnel of dormitory rooms at Canterbury Park. Failure to cooperate with a dormitory room inspection may be cause for immediate revocation of dormitory room privileges.

## **Fire Safety**

The Licensee entering upon this agreement acknowledges having read and understood the Fire Prevention Regulations of Canterbury Park. Failure to follow the regulations or to allow any safety inspection may be cause for immediate revocation of the licensee's dormitory room. Upon the request of the Shakopee City Fire Marshall, any dormitory or building on Canterbury Park property may be inspected. All city and state electrical codes must be followed at all times.

## **Notice Regarding Bulk Shavings**

Due to the change in policy regarding straw bedding noted on page 4, bulk shavings may be used in 2018 only as long as they are cleaned up and stored daily. Any loose or uncontained piles of shavings will be removed and future deliveries restricted.

## **Training Schedules and Regulations**

The track will be open for training beginning April 23, weather permitting. Training hours and a break schedule are to be announced.

Any person mounted on a horse or working as a member of the starting gate crew must wear both a securely fastened safety helmet and safety vest on the race track at all times. Safety equipment must match the standards set forth in MN §7877.0170, Subp. 11.

Horses galloping on the track at less than a two-minute clip will be required to stay 25 feet from the inside rail.

An ambulance staffed with an EMT as well as a horse ambulance will be available during training hours.

There will be outriders on the track for your protection. Please, do not hesitate to call the outrider if you need assistance.

### **Starting Gate Schooling**

The starting gate is available for schooling on select mornings during workouts. Schooling hours to be announced.

### **Paddock Schooling**

Permission to school in the paddock must be obtained from the Paddock Judge. The Paddock Judge can be reached through the Racing Office.

### **Paddock Entrance**

Paddock entrance is restricted to owners, trainers, and their employees and those involved with the conduct of racing at Canterbury Park. Any others wishing access or entrance to the Paddock area must receive prior approval from the Racing Secretary, Stewards, or Canterbury Management. No food, drink or strollers are permitted in the paddock at any time.

### **Stall Cleaning**

Trainers are asked to make sure that the stalls allotted to them for the meet are clean upon vacating the backside at the end of season.

A minimum \$10 fee will be charged for stalls not stripped.

### **Change of Equipment & Gate Card**

All trainers who request a change of blinkers must first secure a card from the starter.

A change of blinker equipment must be reported to the Racing Secretary's office at time of entry.

All horses which have never started must have approval from the starter before entry will be accepted.

All horses must carry their equipment to the post.
